REF. Number **PRCO999005**

Description **Extension Line – Lipid-Resistant 3-Way Stopcock**

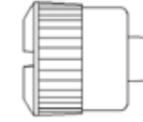

REF. Number **PRCO999010**

Description **Extension Line - Lipid-Resistant 3-Way Manifold**

REF. Number **PRCO999012**

Description **Extension Line - Lipid-Resistant 4-Way Manifold**

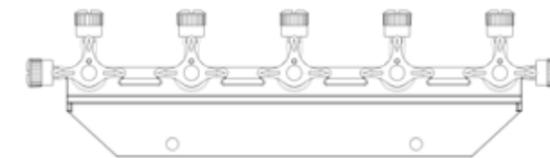

REF. Number **PRCO999016**

Description **Extension Line - Male Luer Lock Cap**

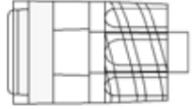

REF. Number **PRCO999017**

Description **Extension Line - Combination Cap Luer Lock**

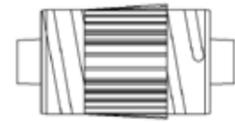

REF. Number **PRCO999014**

Description **Extension Line - Lipid-Resistant 5-Way Manifold**

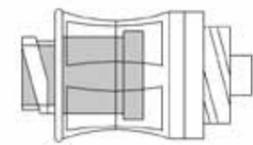

REF. Number **PRCO999018**

Description Extension Line - Male Luer Lock with Injection Site

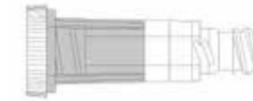

REF. Number **PRCO999020**

Description Extension Line - Male to Male Luer Lock Connector

REF. Number **PRCO999053**

Description Extension Line - Needle Free Valve to Male Luer Lock Connector

REF. Number **PRCO999087**

Description Extension Line - Closed Male Luer Lock

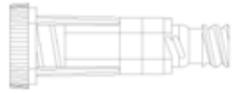

REF. Number **PRCO999090**

Description Extension Line - Ventilation Needle with 1.2 µm Filter

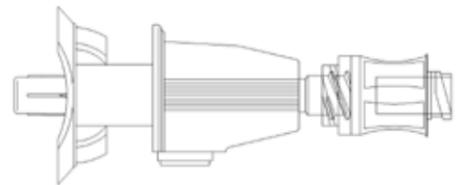

REF. Number **PRCO999098**

Description Extension Line - Female to Female Luer Lock Connector

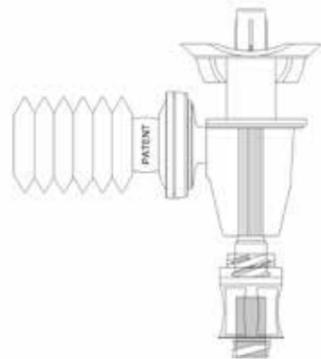

REF. Number **PRCO999107**

Description Extension Line - Closed Male Luer Lock

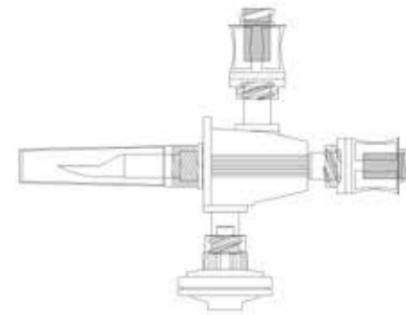

REF. Number **PRCO999200**

Description Extension Line, Device for Closed Drug Reconstitution, Needle Free; Ø 21 mm Vial Adapter; Closed 0.2 µm Filter

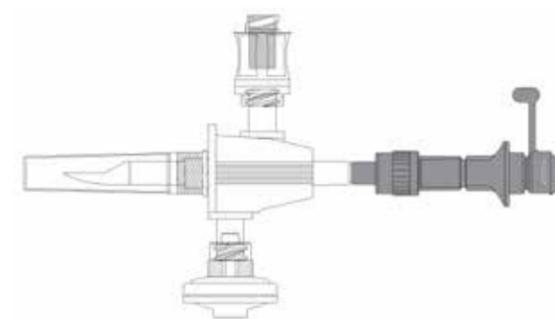

REF. Number **PRCO999201**

Description Extension Line, Device for Closed Drug Reconstitution, Needle Free; Ø 21 mm Vial Adapter; Closed 0.1 µm Filter

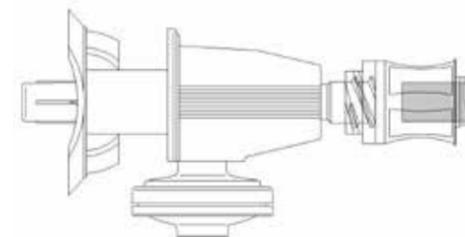

REF. Number **PRCO999202**

Description Exntesion Line, Device for Closed Drug Injection, 2 x Needle Free, 0.1 µm Filter

REF. Number **PRCO999203**

Description Exntesion Line, Device for Closed Drug Injection, Needle Free, 0.1 µm Filter, Snap-Off Adapter

REF. Number **PRCO999204**

Description Extension Line, Device for Drug Reconstitution, Needle Free; Ø 21 mm Vial Adapter; 0.1 µm Filter
